**** Students will be bringing home a paper this week about the Time Capsule: Letter to Future Self that we do at the end of each year for our current 6th graders. They will write a letter to their 8th grade self and then we will mail it to them when they are finishing up the end of their 8th grade year. We are asking that you send a self-addressed stamped envelope with a FOREVER stamp (or 50 cents to purchase a stamp). Also, if you have any extra stamps that you would be willing to donate, we would greatly appreciate it!**

*****Most of the research project will be completed in class, but the final product (the slide presentation) may require some work at home. Final due date is Tuesday, May 24th.**

Please Note: Plans are subject to adjustment based on student needs, available resources, such as access to the library and computer lab.
